

CALL FOR SPONSORS/ADVERTISERS

What is the Orillia Film Festival anyway?

This is Orillia's newest festival, one where amateur film-makers from Orillia and elsewhere submit short 8 minute movies to a panel. The best local films will be shown on September 25th and a selection of short-listed films will be shown on September 26. This year both nights will be presented at the historic Orillia Opera House. The goal of the venture is to develop another facet to Orillia's growing arts scene by encouraging local film-makers to put their

talents to work and by offering up the best creations in a community building event in downtown Orillia!

Why place an advertisement with the Orillia Film Festival program and website?

The festival will have a broad appeal, as other festivals like this have had a wide range of diverse submissions and attendance. Your support will be displayed on our website www.orilliafilmfestival.com and in our professionally produced program. Our gratitude to you will serve as a tangible demonstration of your support of the arts in our community.
